

Experiencing the Supernatural Presence and Power of God

In this, her first book, Millie tells us in an honest, straightforward manner about her own personal journey leading to faith and her subsequent walk in a supernatural anointing. Each page reveals her deep passion to really know the Lord, and to obey Him wherever the Spirit leads. Through her own personal testimonies, Millie demonstrates how a believer can walk in the Gifts of the Spirit. This type of walk requires a whole-hearted commitment to the Lord and an abiding willingness to wait on His timing. Having ministered with Millie and having attended her Bible studies, I have witnessed her zeal to follow Christ and to share the Good News with people she meets. To the serious believer desiring a special intimacy with God, this book will provide a firm basis for believing in a God who is real, watching, caring and who wants to be involved in our lives. I am confident that by the time you have finished reading this book, you will agree. Linda Santa BA, Certified Teacher-retired
