

## 1000 Beautiful Bracelets

1000 Beautiful Bracelets is a motivational book about a woman who won a money show business start-up challenge. The first part of the book is Valerie's own weekly diary of the process, from the time she made an impulse phone call to the R 1000 Money Show Challenge on Radio 702, to the time she won the competition. The second part of the book is a self-help, motivational section giving tips on how the reader can succeed in starting up and profiting from their own small-capital business.
