Several years ago, God blessed me to write Hearing God Over all the Madness: Trusting God for Everything That was a period in which my life was hearing from God, not in a sense of hearing voices but hearing through his word and actions of people and things situated around me. Since that time I have found myself in a struggle of some sort. I thank God for allowing me the opportunity to meet people every day and to learn from such meetings. I have truly learned that no matter what your situation is one must keep the faith. Without it, there is no way you will survive. My faith abounds because I have faith that all I do that is good, Faith doth abound. From making personalized cards to a Scrapbook DVD. I know that God gives me faith to be creative and produce a product of excellence. Faith Without work is dead Now I am about to embark on a journey I never dreamed Id be in.
