

The Ice Queen: A Christmas Romance

This is a five star historical romance (rated by Publishers Weekly, Romantic Times, and Amazon readers) from an award winning romance writer. Here is an old fashion Christmas romance. Set in England in 1860, the brilliant Dr. James Balfour agrees to a desperate plot to infatuate the beautiful and gifted classical pianist Catherine Harrington before Christmas day. Once warm, vivacious and full of life, Catherine is now called the Ice Queen be the local townspeople ever since she lost her beloved husband in a riding accident and is left caring for her invalid son Daniel. Christmas is no longer celebrated in Harrington Hall; Catherine no longer fills her house with music until A fencing accident forces Catherine to accept the iconoclastic young doctor Balfour as a most unwanted house guest through the holidays. Catherine soon finds she has no recourse against the handsome doctors arrogant and outrageous manners, his determination to cure Daniel, and destroy the icy fortress surrounding her heart
