

3-D Prayer: This is The Generation for World-Changing, Mountain-Moving Prayer

It was the longest ride of Grace Swifts life. For nine hours she could think only about the excruciating task awaiting her: identifying the body of her youngest son. He had been a radical prayer warrior and Christian who placed his confidence in God despite his personal imperfections. But in a random act of murder, he was gunned down in his youth. Drawing upon her sons fervent commitment to Christ, Grace has crafted a message for all young Christians who want to change the world through prayer: Personal perfection is not a prerequisite for being used by Jesus. Confidence in His power within you will enable you to accomplish great things for Him. Grace will challenge you not to limit God because of your youth. She will build your confidence that through the Holy Spirit in you, you can live every day on the offensive and enjoy a mountain-moving, world-changing life of prayer.
