

## The Secret of Answered Prayers

So much has been written and said on the subject of prayer, but very few people have personal testimonies of answers received after praying. Pastor Victor M. Mebele outlined the secret of answered prayers with personal testimonies and personal encounters in the secret place of prayer. He also shared his experience in warfare prayer against a powerful witch doctor that kept his family in bondage for years, his victory over the powers of darkness and why it was possible to overcome. Pastor Victor Mebele believes that prayer is the key to the store house of Heaven as Jesus stated in Matthew 16:18-19, but you must know how to use the right key into your heavenly store house. There are many keys in a home but each key has a specific door to open. That is what The Secret of Answered Prayers is all about.
