

On Road 143?

In the time twisting world, a poor boy finds his life in technology and dreams to become a successful businessman. love comes when it is not needed and goes away when it is needed the most that's what people say and that becomes one of the biggest realities of his life. He was hit with a bug of old love of his school days. He thinks he was the luckiest man in the world to have her. his life became very smooth with his angel and there was nothing else that he wanted not even his dream of becoming a businessman. then a day, as everything has an ending. it had an abrupt ending. skunking his heart to the depth of thinking and imagination. his dreams and his lives were shattered all at once. the most hurting part of it was that he didn't even know the reason for his tragedy. he moves on to become a successful businessman finding his ways through the hardcore life of his poorness and obstacles of the world around him. he was very lucky to receive help from an angel investor in hard times which he never found who it was. he was shot with a sniper in the success party and by chance gets to meet his old love yet again. he finds out the reason for the breakup and makes it up for that and proposes for marriage. then in the middle of marriage the girl dies and the boy is left alone yet again but this time for life time. he still marries her and later he visits her parents house to unlock the mystery of angel investor.
