

The Hand Of Destiny (LIN) (Linford Romance Library)

Pretty, frivolous Mirry had disappeared and nobody on the Mallorcan estate of Santana would say where she was. However, Eden knew that her sister would never have abandoned her little charges, Ana and Jaime Fortesa. Edens enquiries led her to contact Luis Bosquet. Luis and his brother Miguel were dangerous men - but how dangerous Eden did not suspect until she found herself in the web of danger that had also entrapped poor Mirry.
