

The Church In Crisis!: The Legacy Of Charles G. Finney And Lessons For Today

The Church in America is in crisis. Far too many have abandoned Gods design for church in favor of a faith that is just as self-centered as the consumerist systems they left. Before we can deal with trends such as Mega-Churches, Video Venues, Emerging Theology, House Churches, etc.. we need to understand our past. This book examines Charles G. Finneys methods of evangelism and their detriment to todays Church and for the spiritual formation of each Christian.
