

## A Companion to Livy (Blackwell Companions to the Ancient World)

A Companion to Livy features a collection of essays representing the most up-to-date international scholarship on the life and works of the Roman historian Livy. Features contributions from top Livian scholars from around the world Presents for the first time a new interpretation of Livy's historical philosophy, which represents a key to an overall interpretation of Livy's body of work Includes studies of Livy's work from an Indo-European comparative aspect Provides the most modern studies on literary archetypes for Livy's narrative of the history of early Rome
