

## Thirty Days to Connect to Gods Heart: a primer

In our fast-paced world, finding even a half hour of unhurried time can be a challenge. Most Christians admit that even if they had a free half hour, they would be hard-pressed to fill it with meaningful prayer. But what would happen if you found a way to spend prolonged time in Gods presence? Your life would change, thats what! This book is a simple tool, designed to wrest you away from the frenzied pace of life, and place you in Gods presence with something to say! It will help you develop a meaningful and fruitful prayer experience that will have you wanting to fill more of your time with God, and less with things that keep you at surface levels. The next 30 days will be an experiment to test to see whether God fulfills his end of the bargain.
