

A Kind of Magic (Mills & Boon Large Print)

Mills & Boon presents the complete Betty Neels collection. Timeless tales of heart-warming romance by one of the worlds best-loved romance authors. The man I marry must dote on me
Rosie already knew the sort of man she wanted to marry-and Fergus Cameron couldnt be further from that ideal! Arrogant and determined to always get his own way, he was much too sure of himself for Rosies peace of mind. Yet he had also made it clear that he, too, had decided on the girl he wanted to marrya but did his plans include her? Only time would tell.
