EARLY HISTORY OF KINGS, QUEENS AND ROYALTY. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. This collection includes debates on the divine right of kings, royal statutes and proclamations, and political ballads and songs as related to a number of English kings and queens, with notable concentrations on foreign rulers King Louis IX and King Louis XIV of France, and King Philip II of Spain. Writings on ancient rulers and royal tradition focus on Scottish and Roman kings, Cleopatra and the Biblical kings Nebuchadnezzar and Solomon. +++++

The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification:
