

A Loving Heart

As past medical heartaches and fears resurface, Chas and Jackson agonize over the chances of survival for their baby daughter. At a time in their lives when the blessings of the gospel are so abundant, can their faith withstand this trial that looms on their otherwise happy horizon? Do they dare hope for a miracle? At the same time, Jackson receives a call from a former FBI colleague who would like to hide a woman in the witness protection program with them in the Dickens Inn. Although Jackson and Chas agree to let her stay, when the woman arrives they realize she is hiding something. Soon lives are in danger, and the stakes are high. Has trust come at too great a price? With tragedies hurtling toward them, Chas and Jackson will need all the help they can get from friends, family, the medical profession, and most especially from God. In *A Loving Heart*, the newest volume in her Dickensian bedand- breakfast series, bestselling LDS author Anita Stansfield delivers a captivating story filled with breathtaking twists and turns of events that are emotionally compelling, spiritually moving, and utterly satisfying.
