

A Prescription for Love

Nicole looked into Traviss piercing blue eyes and gasped upon seeing the flames of passion and desire reflected in them. With a moan, Traviss mouth came down possessively upon her soft yielding lips. She sighed and molded her body into his, letting go of her self-control. Head nurse Nicole Danley, RN, has no intention of permitting herself to fall under Dr. Travis Andersons spell, but her job demands that she work closely with him on medical matters. She finds herself becoming extremely conscious of his virile appeal. Every time his gaze meets hers, Nicoles heart turns over in response. A war of emotions rages inside her as she finds his constant nearness disturbing and exciting. Serious hospital scenarios, a world of wealth and prestige, and current relationships shed doubts and uncertainties that send this gripping tale of romance into many intriguing twists and turns.
