

# A Professionals Guide to Understanding Gay and Lesbian Domestic Violence: Understanding Practice Interventions (Edwin Mellen Press Symposium Series)

This work deals with issues related to gay and lesbian domestic violence. It includes: preliminary results of two research projects, information on assessment procedures and evaluation instruments, treatment modalities for victims and batterers, and impact and intervention techniques. The chapter on ethics should assist professionals in specific fields (e.g. nurses, social workers, psychologists) to apply their ethical standards to gay and lesbian couples experiencing domestic violence.
