

A Wanted Man (Mills & Boon Intrigue)

Experience the thrill of life on the edge and set your adrenalin pumping! These gripping stories see heroic characters fight for survival and find love in the face of danger. Nothing would stop US Marshal Harlan from capturing an escaped fugitive. Not even being forced to work side by side with his ex-lover, Deputy Callie, on a murder investigation. Except Harlan soon realises he has a goal more vital than outfoxing the killer: keeping Callie alive long enough to win her back.
