

## Alaskan Hero (Love Inspired)

Melting His Heart Never stay in one place too long. These are the words Brock Parker lives by. Roaming the world to save avalanche victims keeps the search-and-rescue patrolman from getting too close to anyone. The resort ski town of Aurora is no different. Until Brock meets Anya Petrova. The Alaska native needs someone to train her dog. Who better than the man who works wonders with his canine rescue team? Haunted by a family tragedy, Brock doesn't think he's anyone's hero. But Anya refuses to believe that. And when she shows her true mettle in the face of breathtaking danger, Brock realizes what a hell risk for the woman whose love has healed his heart.
