

## Blind Triangle: A Rare Love Story from the Sixties

Tom Laurel, a failing artist, is tortured by his attraction to his best and only friend, Ray Styles, a gruesome man with an eccentric lifestyle. In *Blind Triangle: A Rare Love Story from the Sixties*, Tom can't find comfort with his lover, Soledad Paz, who, like Ray and Tom, is haunted by dark, family secrets. While the death of Tom's parents was labeled a murder-suicide, the events leading up to it are known only to Tom. Ray carries his own shadowy knowledge of what may end his life. What Soledad shares with the two men is a yearning to transcend her black legacy. But it is Ray, the wealthy Joker run wild, who pulls the three of them into a triangle of mixed sexuality and betrayal. Together, the three are a volatile mix of shame, devil may care, and impossible schemes. It seems inevitable that someone, perhaps all, shall be hurt...but to what extent and why?
