

Romance: Regency Historical Romance: Winning His Heart (Short stories historical romance, Victorian, Romance) (regency romance free kindle books,clean ... romance, historical, romance Book 1)

Laura: My beloved father passed away and I had to go and live with my Godmother in Harrogate. When her only living relative died we moved to London. It was exciting. I was in the middle of society and keen to find a man who I could love and who would love and cherish me. When I did find him, he was so gorgeous, so gentle and handsome. It soon transpired that my Godmother found my choice of man unsuitable. I was left with very little choice. Either lose him forever or be sent away with no prospects, cast out of society forever.
