

Allens First Failure at Love Finally Finds the Right Person

This is a story that has it all - romance, intrigue, betrayal, challenge, and beauty. From the descriptions of places Livingston visited, it is apparent that Dr. Loveless is well-traveled, and that he also has first-hand knowledge of many aspects of life. This is the story of a military pilot whose life takes a U-turn, and he is enriched by the circumstances in which he finds himself. The characters are well-developed and relatable. The storyline is captivating, and in the process, a clear message of salvation and Gods guiding hand is presented. I highly recommend this book and believe every Christian will find it encouraging as well as entertaining.
