

## Denial [The Unrequited Trilogy] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Romance, M/M, HEA] Tristan Bailey is a man who never takes no for an answer in anything he does or wants. Life treats him good as the CEO of his own airline, and one of New Yorks finest bachelors. Men and women alike fall at his feet, the world opens to him without complaint. There isnt much he desires. Until he lays eyes on Joshua, that is. Death has become a living nightmare for Joshua Malone. No matter what he does, a past riveted with pain and destruction follows him and forces him to make life decisions he would rather not. Josh never wanted to be reminded of the heartache that loving someone could bring, but he finds himself struggling to deny Tristans advances. Two different worlds collide in a heated meeting of longing and lust. Can the inner fears of one be laid to rest by the newfound love for the other, or will they both be denied? \*\* A Siren Erotic Romance
