

## CHILDS STORY OF THE BIBLE (non illustrated)

That no busy mother may say, I cannot take time to gather from the Bible the simple lessons that my children need, this book of little stories--together making one--has been written. I have tried to preserve the pure outlines of the sacred record from the vivid description and the suggestive supposition that are sometimes introduced to add charm to the story, and in all quoted speech I have used the exact words of the authorized version of the Scriptures, so that the earliest impression made upon the memory of the child might be one that should remain.-Mary A. Lathbury (non illustrated)
