

## An Unlikely Bride (Unexpected Series)

Rosings may never be the same Richard Fitzwilliam knew his annual review of Rosings was not going to be the same without his cousin Darcy by his side. What he did not expect was to find Anne de Bourgh running his aunts estate. His cousin is not the same woman he remembers from his previous visits. Now, he has to come to grips with his changed perspective of her, and he cannot help thinking that he rather likes what he sees... Anne has things well under control at Rosings at least until her mother decides it is high time she had some grandchildren and invites a family friend, Gyles Bellingham, to Rosings with the intent of marrying her off. Lady Catherine might think Gyles is the perfect husband for her, but Anne cannot help wishing her mother had set her sights a little closer to home. When the peace of Annes home is threatened, only one thing is certain-change is coming to Rosings whether they are ready for it or not.
