

## An Unsuitable Duchess

The duke of Stoke Teversault has well earned his reputation for bloodless calculation. Indeed, recently widowed Georgina Lark has no idea she's loved her since before her late husband swept her off her feet. Stoke Teversault means to keep it that way. The cold and forbidding duke and the blithe and open Georgina could not be less suited in any capacity. And yet, when Georgina and her sister arrive at his home, his ice-bound heart may melt away. Georgina Lark has never thought of the duke of Stoke Teversault as a man capable of inducing passion in anyone. He's long disapproved of her, but she will be forever grateful to him for his assistance after her husband died. It's been a year since she's realized he's not the man she thought. Can she find a way to convince him to open his heart to her? *An Unsuitable Duchess* is a Regency romance novella featuring an austere duke and a sweet, playful widow.
