

To Say Goodbye

Paul Gregory is the owner of Pals, a fashionable supper club in the Southern Illinois University town of Carbondale. In his other life he works undercover for the Drug Enforcement Authority, a line of work for which he has a natural talent. Paul and Lily Greening, continuing characters from *The House of Tomorrow*, now married, exult in their perfect love and vow never to say goodbye. In a surprising and unforeseen turn of events, however, Lily irrationally leaves Paul. His new DEA posting takes Paul to various intriguing locations Antigua and Montserrat in the West Indies and New Orleans in his hunt for his erstwhile nemesis, Stephen Meredith. During his search, his commitment to Lily is strained when he encounters fellow agent and exotic beauty Connie and later meets Glenda, a glamorous and successful businesswoman. When tragedy strikes, a devastated Paul must maintain his mental balance or plunge into the abyss of despair.
