Saving the Omega Reclaiming Love Not every werewolf pack has an omega. Sometimes an omega is born into a pack. They are tested and if they pass their lives cease to be their own. They become property of the alpha and beta. Jeremy is one such omega. Loved, cared for and secluded from the world he lives to please his alpha, Stryker and his beta, Leyton. Unbeknownst to Jeremy other packs desire Jeremy. After a night under the full moon of being made love to in every delightful way by Stryker and Leyton, Jeremys home is broken into and hes taken by force. His only hope is that the alpha and beta love him enough to not only rescue him but reclaim him as their omega. Will Jeremys destiny as pack omega end or will he learn just how much Stryker and Leyton love him?
