

Annies 3rd Strike: A romantically funny Annie McCauley mystery (The Annie McCauley Romantic Comedy Mysteries)

Since hitting New York like a Texas Tornado, Annie McCauley from little Mesa View Texas has been trying to make it in the high fashion world. After losing her gig with handsome Tomi Di Ponti and his cosmetic company and getting blacklisted in the modeling business, shes been forced to accept a job from Ida Grolsch delivering and protecting people like Mary Jane Adams, a brilliant but troubled girl whose mama tried to strangle her. Her first assignment takes her to Maine where a psycho and federal agents make life difficult. Her budding romance with Idas son Luther blows up in her face when a blonde bombshell from Luthers past shows up at the door, but Luther can explain. Or can he? Like they say, it aint over til the fat lady sings and thats right after your third strike. An ex-fiance, a hermit, large women, and of course, her sidekick, Luis the gay Latino makeup artist, make Annies first trip to Vacationland (Maine) a memorable one. <http://anniesrules.com>
