

Anything but Love: A Romantic Comedy (Wingmen Book 3)

Another wingman bites the dust in this enemies-to-lovers standalone romantic comedy. For the past year, I've been working my butt off to start my own coffee company on Whidbey. A weekend in Cabo with sun, tiny bikinis, and vacation hook-ups is exactly the kind of tension relief I need. What I don't need is a bruised jaw, having to bribe my way out of jail, a hellion set on ruining my life, and my mother seeing a picture of my assets on The Twitter. Caribou Caldwell is my worst nightmare. Unfortunately, she's also the star of my sexiest dreams. What happens when a small town guy becomes the focus of a million fantasies? As Erik Kelso navigates his sudden notoriety, will his feelings for Cari turn out to be anything but love? Anything but Love is the third book in the Wingmen series, a spin off of Modern Love Stories. Like Ready to Fall (Wingmen #1) and Confessions of a Reformed Tom Cat (Wingmen #2), it can be read as a standalone romantic comedy.
