

Arctic Island Mist 3

The final novel in the three novel series called Arctic Island Mist where Todd Morris has come full circle again and found peace in the life he finds himself living. The setting is in the Canadian High Arctic where a man soon learns what he is really made of. Life is what we make of it and Todd Morris beat all the odds. If we choose to live in the past, it will become our present and surely will become our future. He chose to leave his past behind and seek out what the future would hold.
