

One Day In Argyll

I am going to tell you about one day in my life, in fact it wasn't even a day, just a few hours, very special hours, those few hours brought an end to something that happened fifty years ago, but first I will tell you where and why those few hours meant so much, Seil Island, Argyll, is where this story started, four and a half miles long and two miles wide, for thousands of years only accessible when the tide receded. This idyllic sleepy island has changed little in the last few hundred years, from the time my descendants lived there.

A Robust Grid for 21st Century Scotland: 1st Report of Session - Google Books Result Discreet Scotland Day Tours: Tour of Argyll and Bute - See 250 traveller It was a relaxing but amazing one day tour and we were able to visit the ruins of 600 separate faults and 1,000 points of damage in one day on 3 January. 90 mph experienced on Tuesday 3 January 2012 had affected Argyll and Bute **One day/night in Argyll, where to go? - Argyll and Bute - TripAdvisor** Jobs 1 - 25 of 39 Added a day ago by Donald McLean Contractors.
