

Arthur and the Forbidden City

Arthurs quest takes him into the heart of the forbidden city ... Arthurs backyard looks like a peaceful, ordinary garden -- if you are human-sized, that is. But if youre half an inch tall, like the Minimoys, this backyard is a vast world where fierce battles are fought, ferocious monsters are faced, and one evil wizard, Maltazard the Cursed, rules with cruel power from his terrifying stronghold: Necropolis, the forbidden city. Now ten-year-old Arthur -- magically transformed into a Minimoy -- and his Minimoy companions, brave Princess Selenia and mischievous Prince Betameche, must somehow find a way into this forbidden city. Their mission: to rescue Arthurs grandfather, recover a stolen treasure, and save the land of the Minimoys once and for all, before its too late. But once youre inside the forbidden city can you ever get out again?
