

Putting the Pieces Together: A Scriptural Study on Holiness

Understanding the full beauty and meaning of holiness is a lot like putting together a jigsaw puzzle. You begin with pieces of doctrine and scripture, which by themselves offer little practicality or purpose, but when you examine the pieces and fit them together, patterns and images appear and the beautiful, redeeming picture of God's gift to us is revealed. This book offers 95 daily readings to help you see the big picture of God's intent for your life. Piece by piece, it connects the stories and verses throughout the Bible that proclaim the message and meaning of holiness. From the creation story in Genesis to the promise of eternal life in Revelation, you'll discover how central the theme of holiness is to the story of God and how to apply its truth and power to your own life. As part of the inSIGHTmedia Series, this resource includes: A copy of the featured book, Answers for Chicken Little A DVD containing 10-minute video lessons, which correspond to the book's various chapters A printable leaders guide- also included on the DVD- which will enhance group discussion and study
