

Get in the Game Leader Guide: Basics of Christian Service (The Basics)

Living in Christ brings us joy and fulfillment. But true Christian discipleship involves more. Following the example of Jesus, we are called to serve others through Christian service. In this book and 4-week study, readers will discover the joyful service that results when faith is put into action. This Leader Guide includes everything a group leader needs to plan and facilitate the four sessions, helping participants to explore what they have read and to discuss the reading with the group. The guide walks leaders through the study format and provides options for tailoring sessions to the time-frame and style of each group. Get in the Game is part of The Basics Series.
