

SON TO SISTER (Contemporary TV Fiction Book 48)

SON TO SISTER The story of a son that follows in his fathers footsteps...actually in his high heels! A wonderful story with illustrations by Puyal. Quote Board. In The Pink. CONTEMPORARY TV FICTION #48. 76 pages Excerpt: After my sister left, I stared at the nightgown, trying to sort out my feelings. It was a very short, light pink, sleeveless style that was barely long enough to reach mid-thigh on Lisa. There was a delicate white eyelet trim around the scoop neckline and a band of ruffled lace adorned the arm openings and hem as well as the leg opening on the panties. It didnt seem right to wear Lisas nightgown, but then again Id worn her clothes for the entire evening and no one seemed to care. Actually, they seemed to like it. Feeling confused and beaten, I took off the blouse and bra, and unzipped and stepped out of the skirt, slip, and stockings before slipping the panties on, and sliding the nightgown over my head. I quietly turned out my light to avoid drawing attention to what I was wearing and was soon fast asleep.
