Close CallHey look, shes awake. Some guy sitting next to me announced way too loud as I opened my eyes.Thank God man, I though we killed her. Another guy who was standing in the corner across the room says.Oh good, they didnt kill me, I thought to myself. Wait, what? Where am I? Whose house is this? And who are these two guys who almost killed me? Whoa, the one sitting next to me is really cuteWhere am I? And who are you guys? I said aloud while I sat up and clutched my head.The cute one laughed at me. Relax, Im Josh and thats Nathan. He said while not once breaking eye contact with me. Impressive.Cassie is a shy girl from a small town in Massachusetts. Due to her abandonment related trust issues, she has never been able to trust in anyone... until she met Josh.
