

## The Awkward Scientist [Love Beyond Sight 3] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Fantasy Romance, M/M, centaurs, HEA] Milo Crest is a Centaur from Centura. He's been avoiding an ancient centaur who's after him, and unfortunately, it's his mate. For two years Milo has been avoiding his advances, especially when the guy only tells him that he wants to get into his pants. However, his mate stays away for a while in order to get past his awkward personality and properly express his feelings for Milo. Alexis Trentus knows that he's an awkward guy who loves science and can't interact with others. He tries his best to get his mate's attention. While doing so, problems occur and an organization of demons wants to attack the king so they can start their illegal business in Centura. Milo gets involved in order to protect the human king, William, and ends up caught by the demons. Twice Alexis thought that he would lose his mate. He has no choice but to rely on friends to help him get his mate back. \*\* A Siren Erotic Romance
