

Beyond the Past: A Novella

Clare is one of the best there is when it comes to helping people deal with trauma. She has devoted her life to helping those in need. Now, she finds that she is the one with needs, ones that only a handsome firefighter with steel-gray eyes can fulfill. Is she ready to move beyond her past? Logan has been burned before by fickle women, but Clare seems different. He can feel himself falling for Clare, but will her secrets be too much for him?
