

Sasquatch Camp: A Zak Taggart Adventure

Sasquatch Camp: A Zak Taggart Adventure is a stand-alone sequel to *Borderline: A Zak Taggart Mystery*. In this second story, Zak, almost fourteen, faces a new set of challenges. What fun things can he plan for the summer? Will Robert, his friend from Savannah, Georgia, be able to visit? Will Zak be allowed to go with Alex to Sasquatch Camp on Sumas Mountain? Does this Bigfoot dude really exist? But first, Zak and his friends must deal with a bullies apology. Is it for real, or completely bull? Meanwhile, Zaks friend, Alex, comes up with an ambitious plan to practice an assortment of zany survival tasks in preparation for Sasquatch Camp. But, should they include the outspoken girl, Maggie, whom theyve just met? After all, shes going to camp too. But the greatest test of Zaks inner strength and character comes during the camp experience, where the most important question becomes: Will Zak survive? *Sasquatch Camp: A Zak Taggart Adventure* is a story of first kisses, struggling friendships, forgiveness, dealing with bullies, and an absolute determination to survive.
