

Bird and Fish

Even at the worst time of your life, you can meet the best person to share it. Hyun Jae Won, 6000 miles from his homeland, crosses paths with New Yorker, Wendy Dale. Fans have called this exquisite debut novel, a drama in a book. This East-West pair will beguile you as they battle unscrupulous art dealers, nosy relatives and well-meaning friends while attempting to tame their own elusive passions. Finally the answer to the age-old question; if a bird and fish fall in love, where will they live?
