

Bitter Truth: My Story of Bitterness, Grace, and Repentance

Bitter Truth is the story of how one woman escaped from the slough of bitterness which had held her for many years. Her life is now filled with love, joy, and peace. It has been a hard road of repentance and humility, but its worth it. If you struggle with bitterness, or know someone who does, this is a must read. At the core of most of peoples problems is resentment and lack of forgiveness. Linda clearly spells out the personal devastation of carrying such bitterness. The richness of the book is in her practical and clear explanations of what bitterness is and what God says about it. Linda encourages the reader on how to respond when living life and loving people are hard. You, like Linda, will be transformed if you put into practice the things you learn in this book. Shelly Cook Volkhardt, missionary, author, international conference speaker I love a good redemption story! Linda draws us in with her transparency and then offers solid Biblical instruction and practical insights gleaned from her own journey to freedom. I was taught, encouraged, and inspired by Gods transforming power. Kelly Hall, author, conference speaker
