WARNING: This is an erotic short story for ADULTS ONLY! All characters are over the age of eighteen and the story contains scenes of oral sex and penetration. Featuring erotic juicy scenes, this erotica gangbang story is guaranteed to keep you glued to your Kindle like nothing else! Synopsis: A group of men engaging in a five-a-side football match at the local gym are showering up and getting dressed in the changing rooms afterwards. The only attendant on duty - an older, but still very attractive woman - grows impatient with their dawdling and stomps in to hurry them up. However, when she lays eyes on their hot, sweaty bodies she quickly changes her tune. Excerpt: Uh... they might be a little while... said one of them, as they brushed past me. My heart sank as I realised I was going to be there even longer. The two men disappeared down the hallway, leaving another eight of them inside and still laughing just as loud as before. I stewed for a little while longer, but eventually my rage got the better of me and I pushed the door open to storm inside. As I walked through the door, I saw three of them standing completely naked and covered in white powder. At first I thought it was cocaine or something, but then as the strong scent of talcum powder invaded my nostrils I realised their dunderheaded play fighting had simply gone a little too far. I was flabbergasted by their ignorance, but then as my eyes drifted a little further south I latched onto the sight of their flaccid, yet still noticeably long penises. What the fuck is taking so long? I barked, and they all bolted up right to look at me, hiding their modesty behind their towels. The three men slinked off back to the showers while I proceeded to berate the rest. Im waiting to lock up so I can go home! I said, trying desperately not to stare any lower than their waists. It was remarkably difficult, though, and no matter how hard I tried it

felt like my eyes had a mind of their own. Oh, yeah... sorry! they said, quite innocently. Within seconds the tables had been turned and now I felt like the bad guy for walking in on them. Well... just hurry up, I guess... I said, pausing as my clit began to throb. The showers were easily within sight, and as I peered over at them without thinking, the others began to chuckle. See something you like? asked a particularly cheeky looking one with a pony tail. I blushed, and found myself frozen in place with my hand propping me up against the wall. I tried to speak, but simply shuddered as the arousal began to overwhelm my senses. I glanced over at the showers again and saw the three men brushing their hands over their skin to remove the excess powder they had spilled.
