

Secret Wealth: A Financial Plan To Share With Your Grandchildren

Personal money skills are seldom taught in school, making it hard to lead a life of financial freedom. In this new book, Rich Hamilton delivers a simplified plan for financial success. Its not the only plan out there, but it is the easiest plan, combining a focused mindset with careful, systematic investing to enable you to become a Wealth Builder rather than a Debt Builder. Youll discover how to establish a Wealth Builder mindset how to think about your money and how to be debt-free. Secret Wealth is a simplified plan about investing for financial success. Rich gives you a step-by-step investment plan to realize financial independence. Written as a personal letter to his granddaughters and grandson, youll learn the same methods Rich shared with loved ones to give them a head start toward abundant wealth. In this book you will discover: Who can build wealth and retire a multimillionaire Why you need to be and can be worth at least 25 million dollars when you retire Where to get the money to invest How part of everything you earn is yours to keep Why you should keep your wealth a secret Why you should always be looking for a job The only way to build real wealth How Social Security and your employers 401-K are not enough How the bank proves it is not your friend Why the best road to wealth is owning a business, but owning a small business is often like buying a job Why its better to own a business than to work for it Why you do not want or need a stock broker Why investing in the Stock Market is legalized gambling What to do when the market goes down Whats wrong with financial news programs on TV and Cable What to do when you are asked to cosign someones loan How to make and read a Personal Balance Sheet When is the best time to get started A simple step-by-step method for starting your investment program Interested in investing in stocks or investing in mutual funds? Investing

your money successfully requires an investment education. Parents and grandparents, this book is your guide to teach money skills to your children and grandchildren. Use it to open a dialogue about building wealth without getting too personal. Give them a gift that can change their life! Secret Wealth is an excellent graduation gift for high school and college students. This amazing book is your map to getting started on the road to worry-free financial security.
