

The Lake District: The best pubs, restaurants, sights and places to stay (Cool Places UK Travel Guides Book 41)

England's largest national park, the Lake District is also the country's most high-profile outdoors destination, a rugged, alpine-like region of lakes, mountains and valleys interspersed with chocolate-box villages, hideaway pubs, whitewashed farms and rustic B&Bs. Millions of visitors come each year to hike and bike the trails or cruise the waters there's England's highest mountain, Scafell Pike, and largest lake, Windermere, to knock off your bucket list while the Lakeland literary trail takes in the celebrated museums, houses and sites associated with William Wordsworth, Beatrix Potter, Arthur Ransome and others. These days, the region is also branded as an adventure capital by the local tourist authority fair enough given the world-class hiking and mountaineering, not to mention the forest high-ropes courses, kayaking, river-scrambling and mountain-biking. Above all, the Lakes are great for families and kids, and whether it's exploring ancient stones, riding vintage railways, cycling forest trails, picnicking among the bluebells or coaxing the children up their first mountain, there's no better place in the UK to appreciate the great outdoors in all its majesty. Cool Places aims to celebrate the glorious diversity of the UK, promoting the very best places to visit, sleep, eat, drink, shop and much more. We particularly love the independent businesses that make the UK unique, from the tiniest B&B to the grandest boutique hotel, as well as the extraordinary British landscape and its amazing sights and attractions.
