

## The Prosperity Dimension: A Small Biz Sci-Fi Adventure

Does your small business need a dose of swashbuckling sci-fi? Come along with Brenna Rain, bounty hunter and captain of the starship Tesseract, as she races to finish her latest job. A job that started out complicated enough but has taken a turn for the dangerous with a mysterious client and attempts on Brenna's life. It will take all her skills and savvy to get out with her life and her profit intact. The Prosperity Dimension, A Small-Biz Sci-Fi Adventure is a ground breaking combination of graphic novel, science fiction and small business guidance. You'll learn about small business essentials from the costs and benefits of business opportunities to negotiating tactics to how to wrap up a job successfully all in an entertaining and fun to read story set in a fictional world of shadowy forces and fantastic aliens. Are you ready to enter The Prosperity Dimension? Adventure, profit, and success await you!
