

Chronicles of the Broken Book II

Winter camp is over. Now its back to reality for the group as they struggle to maintain their bonds amidst dysfunctional families, dying friendships, and peer pressure. Hating his new-found ability, Marcus strives to block out high school drama until the destructive secrets of a fellow student prove too dangerous to ignore. Can he act soon enough to keep damaging emotions from cutting too deep, or will all his attempts keep him at odds with friends old and new? With Jessicas ex-boyfriend out of the picture, Trevor makes plans to make his move. Only it looks like one of his best friends has beaten him to it. Afraid of being a loser forever, Trevors fear might just push him over the edge and away from the very ones who care for him most. Refusing to accept the terminal diagnosis of her mothers cancer, Jessica escapes from her own problems to help a friend. But time is running out. When Jessica finally decides to reconcile, it may be too late. Trials will come, the past will resurface, and friendships will be tested. In the end there will be blood, fear and pain.
