

Awakening: The Brylee Hawkins Saga

In spite of a fractured heart over Jake leaving the ranch, Brylee must move forward in support of her cousin, Molly, who has suddenly decided to get married, inviting Jake's new girlfriend to be her maid of honor. Following her quick trip to the wedding, tensions ignite in the outback when a nugget of gold is discovered on a neighboring homestead. Jake and Brylee are forced to put aside their differences as they are pulled deeper into a web of misunderstandings, coverups and danger, with their every hope for the future put to the test.
