

Chasing Tara (Bryant Station Curves Book 2)

Tara Wilson and her daughter, Haley, are running for their lives. They are only steps ahead of her brother-in-law who plans to use Tara to pay off his gambling debts, but before they can reach safety, their car breaks down outside of Bryant Station. Jason Andersons bear knows Tara is his mate, and the bear will do anything to protect Tara and her cub. However, Jason is not looking for a mate. His mate died years ago and bears only get one mate or do they? Novella (Approximately 27,500 words) Contains explicit sexual content (m/f)
