

## Baller / Bruiser / Broken: An Alpha Badboy MMA Romance Bundle

Simone you really did another amazing job. Well done. So whats up next? Nancy Freedman, Verified Reviewer Simone Scarlets red-hot MMA Romance stories are taking the critics by storm. Now, for the first time, you can get three complete novels in one bargain bundle - thats over 300,000 words of relentlessly steamy bad-boy action and romance. In this collection, youll read: **BALLER**: Baller Alexander was a legend, both in and out of the octagon. A trash-talking, swaggering bad-boy covered with tattoos, women flocked to him, and MMA fans worshipped him. He was the presumptive champ - the best pound-for-pound fighter in the League. But that was before he let his mouth and his fists write a check his ass couldnt cash. Suspended for brawling, Baller finds himself back home in Hartford, Connecticut - waiting out three months before he can step into the cage again. This MMA legends suddenly having to face the consequences of his years of bad behavior: Disappointed parents, a wayward younger brother - and HER... His step-sister Kristen. The one girl who could still make him feel like a flyweight. **BRUISER**: They called him Bruiser when he rocked the octagon as an up-and-coming MMA champion. But now hes chosen the quiet life - running a karate school for disadvantaged kids, and trying to stay out of trouble. But staying OUT of trouble isnt so easy, when you keep falling IN bed with the married moms who attend your school. But that was before he met Bailey - a vulnerable, guarded nurse whod sworn off men forever. Or, at least, she had until she met Ben; and wondered if he could help her overcome her dark and traumatic past. **BROKEN**: His last fight put super-heavyweight Silas Batras in a wheelchair - but hed been broken long before that. Young, dumb and hungry, Silas had fled to America from Spain, chasing his dream of MMA stardom. But

the price of that opportunity had become more than he could bare. First, hed wound up becoming a married womans plaything, just to pay his bills. Then hed risked everything for his shot at the championship - and wound up nearly crippled, instead. Now he was alone, penniless, and learning to walk and fight again. His dream had become a nightmare. But that was before Silas met Lyssa - and suddenly, he had something real to fight for again.
