

Baby in Blue (Silhouette Romance)

Assignment: Baby! Officer Hawk Adams had faced some pretty tough characters in his day. But nothing had prepared him for his latest assignment minding a twenty-pound rabble-rouser with an almost criminal record for spitting up and raising a fuss. So Hawk did what any self-respecting bachelor cop with a baby would do: he called for backup. And Kate Shea came to the rescue. Not only did the pretty widow manage to make little Brittany smile, she had a certain tough-as-nails cop feeling warm and fuzzy himself. Suddenly Hawk's baby assignment seemed dangerously headed for operation marriage.
